No Passing Zone
Route NJ 47
Vineland City
Cumberland County

Dear Mr. Petrosky:

This is in reference to an investigation conducted by the New Jersey Department of Transportation to inventory the existing centerline markings along Route NJ 47, in the City of Vineland, County of Cumberland.

Staff of the Bureau of Traffic Engineering (BTE) has completed an investigation. Based on this investigation, it has been recommended to revise the centerline pavement markings to a "No Passing Zone" along Route NJ 47 in the vicinity of M.P. 48.88 (Garden Road/County Road 674).

In order to legally establish the "No Passing Zones," the New Jersey Department of Transportation is required to promulgate a Traffic Regulation Order (TRO). An initial step in the TRO process is to receive a Resolution of Support from the municipal governing body. The New Jersey Department of Transportation now requests that the **Resolution of concurrence** be submitted **within 90 days**. Enclosed is a sample for your use.

Once this office is in receipt of the certified adopted Resolution of Concurrence from the Vineland City governing body, a Traffic Regulation Order will be promulgated. The centerline markings will then be revised by NJDOT forces to reflect the "No Passing Zones."

Should you have any questions, please feel free to contact Robert Smetanka, Principal Traffic Investigator, at 609-530-2657.

Sincerely,

Michael Mihalic
Supervisor, Traffic Investigations
