Re: Contract No. 2011-569 – Resolution No. 2014-512

Dear Bob:

We have received notification from Leah Ratzlaff, Contract Specialist, Schneider Electric requesting that the "Contractor" name on the City of Vineland Contract No 2011-2569 – Resolution No. 2014-512 be changed from Schneider Electric (Parent Company) to Telvent USA, LLC (attachment). The vendor application for this transaction reflected the Telvent name. Unfortunately, we had already forward the request for contract award and did not catch this name discrepancy.

If you have any questions regarding this matter, please contact my office.

Regards,

See email below from Schneider Electric.

This contract was awarded Dec. 9 to Schneider Electric.
They are saying name should have been Telvent?

Schneider Electric is what was on your request. We will have to amend resolution and contract for the name change.

The other items I will have to run by Rick.

Thanks

Hi Yvonne,

We still have a few issues before we will be able to sign your document:

- Our legal name on the document is incorrect. It's listed as "Schneider Electric" but should be "Telvent USA, LLC"
- We cannot agree to section 6, Indemnity, as is. We would need this section to either be removed or for us to be able to edit
- We would like some kind of statement regarding order of precedence to be included, stating that conflicts between this document and the SUELA renewal signed in December would be resolved in favor of the SUELA renewal

Let me know if you have any questions, and feel free to call as well if that would be easier.

Thanks,

It is just our standard contract since this type of agreement had to be awarded by our City Council.

It basically states some standard contract language and the Affirmative Action regulations that we must require.

Please sign and return two copies.

Thank you

Hi Yvonne,

Gregg Gohrband asked that I follow up with you regarding the paperwork we received in the mail last week. I'm not sure what the Goods and Services Contract is for since the paperwork for the SUELA renewal was already signed in December. If you could give me some further explanation on this, I would appreciate it. If a phone call would be easier, my contact info is below.
