REPORT TO: THE MAYOR AND COUNCIL

RE: Proposals Submitted to the Purchasing Board 2/10/15

Dear Mayor and Members of Council:

Submitted to you herewith for your consideration is our evaluation of the proposals submitted to the Purchasing Board on February 10, 2015.

FURNISHING OF ON-CALL EMERGENCY WATER SYSTEM REPAIRS FOR A PERIOD OF ONE YEAR FROM DATE OF AWARD WITH OPTION FOR AN ADDITIONAL YEAR

It is the recommendation of the Superintendent of the Water Utility, which has the concurrence of the Assistant Business Administrator, the Director of Municipal Utilities and the Purchasing Agent that an open-end contract be awarded to the only bidder, Garrison Enterprise Inc., Vineland, NJ, in an estimated amount of \$2,989.40 per job, not to exceed \$8,000.00.

FURNISHING AND DELIVERY OF ULTRASONIC WATER METERS FOR THE VINELAND WATER UTILITY, FOR A PERIOD OF ONE YEAR FROM DATE OF AWARD, WITH OPTION FOR AN ADDITIONAL YEAR

It is the recommendation of the Superintendent of the Water Utility, which has the concurrence of the Assistant Business Administrator, the Director of Municipal Utilities and the Purchasing Agent that a contract be awarded to the only bidder, Exeter Supply Co. Inc., Reading, PA, in the amount of \$46,980.00.

ACQUISITION OF 2015 AWD SUV POLICE PURSUIT VEHICLES

It is the recommendation of the Purchasing Agent, which has the concurrence of the Assistant Business Administrator that the bids received for the above, must be **rejected** because the specifications called for a 2015 model and the only bidder bid a 2016 model. Said specifications were not clear in that the City would accept a newer model, therefore the specifications must be revised.

We trust that the above recommendation will receive your favorable consideration and that the recommended resolutions will be adopted as presented.

Respectfully submitted,

Although the Utility has in-house staff to address repairs within the distribution system, an occasion can arise where the services of an outside contractor may be required. As an example, multiple breaks within a one day period coupled with the failure of existing gate valves to control the flow of water would require help from an outside source. Having a contract in place will allow the Utility to have a set price for all work performed and thus avoid any hidden and/or excessive charges being submitted in the event an emergency occurs.

Subject: RE: Revised 2016 AWD SUV Police Vehicles Bid

Yes the bid needs to be rejected. The reason is that the specifications called for a 2015 model and the only bidder bid a 2016 model.

Our specifications were not clear that we would accept a newer model.

Yvonne,

What are we doing about the bids received for the 2015 AWD SUV Vehicles. Are we rejecting them? If so what reason do I put in the resolution?
