Re: Vineland Rotary Club
Pedals for Progress Bike donations

Dear Mr. Dickenson:

In the past, the Vineland Police Department has donated bicycles collected throughout the year to the Rotary Club of Vineland. Club members prepare the bikes for shipping to various countries that are in need.

The Pedals for Progress organization rescues bicycles and ships them to developing countries where they are sorely needed and highly valued. Bikes are put to work not only as basic transportation, but used in school and community programs. Pedals for Progress website: www.p4p.org

Vineland Rotary will once again be holding their "Pedals for Progress" project this Spring. We would greatly appreciate if the bikes collected by the Vineland Police Department can be donated to the Vineland Rotary Club for this great project.
