PROJECT SUMMARY

MOBILE DEMINERALIZER SYSTEM FOR UNIT 11 & CLAYVILLE UNIT 1

This is an open-ended project which covers the cost of the mobile demineralized water system requirements for H.M. Down Unit 11 and Clayville Unit 1. The cost estimates are for the first year of the contract. The project provides for an automatic extension of the contract for an additional year called the Option Year unless either party objects to the extension. The project will cover the anticipated demineralized water requirements for the above units during the Option Year. Funds for the Option Year will be requested during the budgeting process.
