Letter of Agreement

Re: Vineland Department of Public Health

This letter details the terms of agreement between the Cumberland-Cape-Atlantic YMCA and the Vineland Department of Health for \$10,800 beginning October, 2015 through September, 2016.

The Vineland Health Department will provide the services required to support the NJ Partnership for Healthy Kids- Atlantic City and selected Cumberland County cities:

- Provide one community outreach worker to work with the local corner stores combined work part-time in the schools and the target community. The key goal is to bring all the resources to create an awareness education as it relates to obesity. They will be used to assist in collecting data, surveys and coordinating the various projects that will create environmental and policy change.

It is understood that this agreement is contingent upon the successful award and continuation of grant funding from the Shaping NJ, NJ State Health department and the Cumberland County United Way. This agreement may be reviewed and amended as deemed necessary by both parties to assure that the consultative services meet the project's emerging needs. Any significant changes will be documented and incorporated herein.
