Dear Ms. Muccirelli:

Phoenix Advisors, LLC has been privileged to serve Vineland City as Continuing Disclosure Agent and Independent Registered Municipal Advisor ("IRMA") of record for the past year. Our services under the terms of our appointment are renewable each year. To this end, we have enclosed our Agreement for the upcoming **2016 year**. Your invoice for 2015 is also enclosed for you to process at your convenience.

We provide this to you now so that it can be processed at your municipality's reorganization meeting.

Your municipality has recognized, based on our current appointment, the vital nature of staying in compliance with Secondary Market Disclosure obligations and having the advisory expertise and resources of Phoenix Advisors at the ready.

As Continuing Disclosure Agent, we are proactive about keeping you compliant. Others offering similar services merely wait for issuers to supply required documents and notices. Phoenix Advisors provides research and outreach to our clients and their auditors to assist in achieving full compliance.

You will find our flat fee cost structure for Continuing Disclosure Agent services to be extremely competitive. We are continuing our practice of not charging a fee for designating Phoenix Advisors as IRMA of record. When the need arises for our assistance on a financing or consulting matter, we'll provide an addendum to our appointment, subject to your approval, detailing fees and scope of services.

Phoenix Advisors looks forward to providing these valuable services during the upcoming fiscal year. If you have any questions or need additional information, please call 609.291.0130 to speak with one of our advisors.

Sincerely,

Exhibit I

Scope of Services Continuing Disclosure Agent

1) CODIFY ISSUES THAT ARE SUBJECT TO CONTINUING DISCLOSURE

Obtain and research each outstanding bond issue's Continuing Disclosure Agreement ("CDA") to determine the specific requirements of each issue. Many issuers are subject to more than one CDA – often with different requirements. Older CDAs are typically the most burdensome, with shorter deadlines. Our compliance methodology helps you meet all requirements.

2) PROVIDE REMINDERS OF UPCOMING DEADLINES

Typically, a dissemination agent waits for you, the issuer, to provide items to be filed. This puts the entire burden on you. They file only for the specific issues on which they are appointed, and then only after you provide the information to them. Phoenix Advisors takes a more helpful, proactive approach to client service. We regularly remind our clients sufficiently in advance of filing deadlines, then follow up on those reminders. We understand that clients have full schedules, and a variety of deadlines can be difficult to monitor. We do it for you.

3) FILE FINANCIAL AND STATISTICAL DATA TO MEET YOUR OBLIGATIONS

In addition to the filing of your Audited Financial information, CDAs require the filing of the continuing disclosure version of an Annual Report of Operations. This Annual Report contains information generally consistent with the statistical data found in the Official Statement that was distributed when the bonds were issued. Phoenix Advisors coordinates the filing of this data, working appropriately with your Auditor.

4) FILE ON A TIMELY BASIS

Our proprietary, computer-based compliance system provides an important safeguard for the timely filing of your continuing disclosure information. You are provided with electronic proof of filing receipts for each and every required and voluntary (see next item) filing.

5) COORDINATE AND SUBMIT OPTIONAL, VOLUNTARY SUBMISSIONS

Phoenix Advisors' service goes an important step further than others. The marketplace is hungry for information about you. The more factual information you provide, the more professional and forthcoming your appearance will be to market participants. This encourages them to buy your debt, and that means better interest rates. We believe the bond rating agencies also take note of the quality of information you voluntarily provide. Phoenix Advisors works with you to obtain and file, on your behalf, additional and meaningful information, including budgets, debt statements, and unaudited financials. On occasion, your audits may not be completed by the stipulated date, but the filing of unaudited financials will usually keep you in compliance with your CDA until the audit is finalized and filed.

6) MONITOR THE NEED FOR MATERIAL EVENT NOTICES AND THE TIMELY FILING OF MATERIAL EVENT INFORMATION

There is a significant list of things that regulators deem to be "Material Events" which, if they occur, require a Notice to be filed within 10 business days of the event. The occurrence of a Material Event is not always apparent to those who are not constantly involved in the marketplace. Phoenix Advisors carefully monitors the market and makes every effort to identify events that affect you, then coordinates the filing of required Material Event Notices.

7) PROVIDE A COMPREHENSIVE REPORT EACH FISCAL YEAR TO DEMONSTRATE YOUR CONTINUING COMPLIANCE

We know the importance of proof, and of well-organized files. Phoenix Advisors prepares a Compliance Package containing documented proof of each filing done on your behalf. This is especially useful during your annual audit, as well as when you next issue bonds or notes.
