Dr. Salah,

Attached you will find the petition I referred to in our phone conversation this afternoon.

In looking at the map for the area in question, there appears to be 5 properties that could be serviced via an extension westerly along Almond Rd. and then northerly along Bird St. to your property located on Block 2008 Lot 17. The properties are as follows:

~~\*~~ 2425 Almond Rd. (Block 2603, Lot 6)

520 Bird St. (Block 2008, Lot 10)

~~\*~~ 550 Bird St. (Block 2008 Lot 9)

570 Bird St. (Block 2008 Lot 8)
