REPORT TO: THE MAYOR AND COUNCIL

RE: Proposals Submitted to the Purchasing Board 3/22/16

Dear Mayor and Members of Council:

Submitted to you herewith for your consideration is our evaluation of the proposals submitted to the Purchasing Board on March 22, 2016.

SURPLUS TRANSFORMER AND ELECTRICAL EQUIPMENT SALVAGE AND DISPOSAL FOR THE VINELAND MUNICIPAL ELECTRIC UTILITY – DISTRIBUTION DIVISION

It is the recommendation of the Director of Municipal Utilities, which has the concurrence of the Purchasing Agent and Assistant Business Administrator that a contract be awarded to the lowest evaluated bidder, TDI, Nabb, IN as follows:

Credits to VMU \$/lb for Pole Type Units Less Than 50PPM & Padmount Units Less than 50PPM	\$16,500.00
Charge to VMU \$/lb for equip. disposal 50-499PPM	\$16,500.00
Charge to VMU \$/lb for equipment disposal over 500PPM	\$16,500.00
In the estimated amount not to exceed	\$16,500.00

We trust that the above recommendation will receive your favorable consideration and that the recommended resolution will be adopted as presented.

Respectfully submitted,

## **Transformer & Electrical Equipment**

### **Salvage and Disposal**

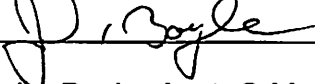

**March 23, 2016**

Whereas, the NJDEP and the Federal EPA require that all oil filled electrical equipment be decommissioned and salvaged or disposed of in accordance with federal regulations in a timely manner, VMU has solicited quotations from licensed vendors to pick up, manifest, transport and either salvage or dispose equipment from our facility at Second and Peach Street.

Over the past two decades, the salvage value has equaled or exceeded the disposal costs. However, this year, with commodity pricing down and the handling and disposal costs increasing, the costs to remove this equipment from our facility and to document and dispose may exceed the actual salvage value.

Unfortunately, the environmental regulations preclude us from storing the equipment on site to await a more favorable commodities market. We have no other recourse than to award this contract to the best evaluated bid and proceed with having the equipment removed from our premises and disposed of in accordance with the environmental regulations.

Therefore, I recommend the award of this contract to TDI, 3478 W Marble Hill Rd, Nabb, IN., the estimated amount Not to Exceed \$16,500.00.
