RE: FY 2018 Application – Local Freight Impact Fund  
Gallagher Drive Resurfacing  
(Delsea Drive to Mill Road)

I respectfully request a resolution be placed on the agenda for the December 12, 2017 City Council meeting authorizing the submission of a grant and execution of a grant agreement with NJDOT for the resurfacing of Gallagher Drive, from Delsea Drive to Mill Road.

This application would meet the standards for this new funding stream out of NJDOT. The total project cost is estimated at \$400,000. Typically the aid received from NJDOT covers only a portion of the project cost and the City handles the remaining cost through local bond ordinances for road improvements.

Applications are due to NJDOT on-line by December 19, 2017 through SAGE, therefore the Council meeting of December 12, 2017 is the last available Council meeting prior to the deadline.
