1. The contact start date would be July 8, 2019
2. I believe through Mike the company name was straightened out – Pure Technologies DBA Wachs
3. The State of New Jersey requires all valves in the public water system to be exercised (turned) on a periodic basis based on their size and to collect GPS positions on them. This contract award will be to exercise a portion of our water system valves and collect GPS positional data on them for the year calendar year 2019.

Let me know if you need anything else.

Good afternoon,

I'm going through your request for the above. Why does the company name on page one differ from the company name on page 2? Also would someone explain what the valve exercising program is?

Your contract period is for one year, on what date do you want the contract to start?

Thank you.
