Dear Mr. Maillet:

On 9/9/2020, the Federal Highway Administration (FHWA) authorized funding in the amount of \$139,423.00 for Preliminary Engineering up to Final Design for the above captioned Federal Aid Highway Program project in the Vineland, Cumberland County.

Requirements for this project include, but are not limited to, the following:

Local Public Agency Eligibility:

Vineland City (Recipient) is required to maintain its Local Public Agency Eligibility Certification current and valid during the term of this project agreement in accordance with the requirements of NJDOT Division of Local Aid and Economic Development Policy/Procedure No. 010.00 dated October 1, 2012.

Award of Contract:

- Recipient must award a design contract within 4 months of the date of this notification. Failure to award design within 4 months of NJDOT's letter may result in the withdrawal of funding. Withdrawal of funds may require the project to be reprogrammed by the MPO and rescheduled for approvals in the Transportation Improvement Program (TIP) and Statewide Transportation Improvement Program (STIP) and reauthorization of funds by FHWA. This could result in significant project delays.
- Upon award of design contract, please submit the following to this office for our concurrence in the award of design contract:
 - Certified copy of the resolution of award
 - Negotiated consultant cost proposal (including any subconsultant's costs), unless submitted previously to the Department

Project Agreement (see a separately sent Federal Aid Agreement No. 20-DT-BLA-822):

- Return four (4) original signed and sealed copies of the attached agreement along with a signed/sealed Resolution for execution by the Department. DO NOT enter the date on page
- Signed copies of the agreement should be returned as soon as possible but within 45 days.
- No reimburseable work can be performed until the project agreement is executed by the NJDOT.

Project Billing:

- NJDOT must receive an initial billing (payment voucher) from the recipient for the design project no later than 3 months after NJDOT has concurred in the award of the design contract. NJDOT may receive subsequent billings (payment vouchers) on a monthly basis after the initial billing but no later than 3 months thereafter as stipulated in the project agreement. Failure to meet the billing requirements may result in the restriction of authorization of any future FHWA funding until such time as progress on timely billings is demonstrated.
- The project will be considered "Inactive" if the SPONSOR fails to submit an invoice within the durations described in 23 CFR 630.106. It is the SPONSOR'S responsibility to ensure that the federal funding is not jeopardized for this project due to an "Inactive" project status.

Final Inspection and Closeout:

- Upon submission of a final PS&E (Plans, Specifications and Estimate), the Department will issue a letter of final acceptance. Vineland City shall incur no costs after this acceptance date and be prepared to submit a final invoice and close-out package to NJDOT.
- Close-out documents shall be submitted by the recipient to NJDOT within 6 months of receipt of acceptance by NJDOT.

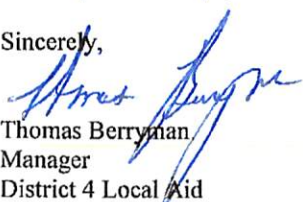

Failure to meet the time requirements for project close-out may result in the restriction of authorization of future FHWA funding until such time as progress on close-out is demonstrated.

Recipient may appeal decisions made by NJDOT regarding all above compliance issues on a case-by-case basis, but NJDOT reserves the right to make a final determination whether to continue funding the project or not. NJDOT will be reviewing the status of the federal-aid agreement and the issues associated with compliance on a monthly basis.

It is the NJDOT's desire to make the process of funding and oversight as reasonable as possible and at the same time satisfy FHWA requirements. The recipient's cooperation will greatly facilitate this effort and assist in future funding.

Should you have any questions regarding the above, please contact Alka Shah at (856) 414-8491.

Sincerely,

Thomas Berryman

A Design Exception shall be executed when it can be documented to the State's satisfaction that a lesser design value is the best practical alternative. The factors to be considered when determining if a lesser design value should be elected shall include social economic and environmental impacts together with safe and efficient traffic operations.

- 4.2 Approval for the Design Exception shall be based upon Division of Local Aid and Economic Development Policy Number 005.00 as follows:

- 5.3.11 The Subrecipient agrees that it will ensure its contractors are aware of and are in compliance with 31 U.S.C.A. § 1352 prior to execution of any agreement in order to remain eligible for Federal funds.
- 5.3.12 When Subrecipient considers the Project to be finally complete, Subrecipient shall request that the State's representative make a final inspection of the Project. If it is determined, after such inspection, that the Project has been completed in accordance with the plans and specifications, Subrecipient shall prepare and submit to the State a certification that the final inspection has been made and the cost of the Project has actually been incurred in accordance with the provisions of the Agreement. Upon receipt, the State shall disburse an amount equal to the approved final payment. Upon payment of the amount approved for final payment, the State shall be released from any further responsibility in connection with the Project Fund and the Project. The State will monitor maintenance of completed Project by the Subrecipient.  - 5.3.13.5 Reviews financial processes, transactions and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse; and;
 - 5.3.13.6 Directs Project staff, agency or consultant, to carry out Project Administration and Contract Oversight, including proper documentation.
 - 5.3.13.7 Is aware of the qualifications, assignments and on-the-job performance of the agency and consultant staff at all stages of the Project.
- 5.3.14 In addition to adhering to the requirements specifically set forth in this Agreement, Subrecipient agrees that it will cause its contractor to comply with the United States Department of Transportation's (USDOT)/FHWA's official Disadvantaged Business Enterprises (DBE) Program Guidance, including that all contract bidders/offerors submit DBE subcontractor information and/or good faith efforts, either at the time of bid (responsiveness) or within 5 days of bid (responsibility). Guidance with regard to the DBE program can be found on the USDOT and FHWA Civil Rights' websites.

6. Insurance

6.1 Subrecipient shall maintain or cause to be maintained:

- 6.1.1 General Comprehensive Liability Insurance in the minimum amount of \$1,000,000.00 combined single limit plus \$1,000,000.00 in an umbrella policy. This insurance shall specifically provide for coverage of the State as an additional insured and shall provide for coverage at least as broad as the standard, basic un-amended commercial general liability policy and shall be endorsed to include broad

form contractual liability coverage, independent contractor's coverage and completed operations coverage.

6.1.2 Automobile Liability Insurance in the minimum amount of \$1,000,000.00.

6.1.3 Workers Compensation Insurance in the amount required by law.

6.2 A copy of each insurance policy shall be made available to the State upon request.

6.3 Subrecipient shall cause to be maintained Errors and Omissions, Professional Liability Insurance and/or Professional Malpractice Insurance sufficient to protect against liabilities arising out of professional obligations performed pursuant to the requirements of this Agreement. This insurance shall be in the minimum amount of \$1,000,000.00

6.4 Subrecipient expressly understands and agrees that any insurance protection required by this Agreement shall in no way limit the obligations assumed by Subrecipient pursuant to this Agreement and shall not be construed to relieve Subrecipient of liability in excess of such coverage, nor shall it preclude the State from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.

7. Disbursement of Project Fund

7.1 It is agreed that any and all Project Costs incurred by the Subrecipient prior to the execution of this Agreement by all parties shall be non-participating by the State and FHWA.

7.2 The State shall disburse monies from the Project Fund to Subrecipient in order to reimburse actual, eligible costs associated with Project Work in accordance with the terms and conditions of this Agreement. Only those costs specifically enumerated in the Project Scope of Work and Cost Estimate. Nothing contained herein shall impose upon the State any obligation to ensure the proper application of the monies paid to Subrecipient from the Project Fund. Furthermore, nothing contained herein shall impose any obligation upon the State to pay to Subrecipient any monies in excess of the Project Fund. The Subrecipient shall reimburse its consultants/contractors for allowable expenses after the receipt of properly prepared payment vouchers as outlined in Section 7.5 of this Agreement. All monies shall be subject to appropriations and availability of funds.

7.3 The Agreement may be adjusted and/or modified unilaterally by the State to reflect the Project Costs in accordance with 23 C.F.R. § 630.106.

7.4 The final eligible costs incurred by the Subrecipient during the Project may be reimbursed by the State, subject to prior written approval, the availability of funds, and at the State's sole discretion.

7.5 Payment Vouchers

7.5.1 Subrecipient shall prepare and submit payment vouchers for payment for approval by the State within three (3) months of initial billing by the contractor or design consultant, or six (6) months from award, whichever is first. Payment vouchers

**New Jersey Department of Transportation
Division of Local Aid and Economic Development
Federal Aid Cost Reimbursement Agreement**

may be submitted as frequently as every month at most but are required at least quarterly.

- 7.5.2 If Subrecipient does not comply with the aforementioned time periods for submitting payment vouchers, the State may determine that the Project is deemed “inactive” and, as a result, Project funds may be withdrawn by the State. The Project may also be determined inactive, at the discretion of the State, for the following reasons: failure to provide billing for eligible costs within 12 months from the initial authorization or a preceding bill, the failure to perform work properly, failure to complete the project as proposed, failure to properly submit or complete the close out documents, or any reason that the State may determine based upon the Project status and remaining work to be performed. The payment vouchers shall state, with proper documentation, the amounts due to the Subrecipient for actual, eligible costs incurred in connection with the Project. The Subrecipient shall maintain a complete set of time sheets, records and accounts to identify eligible salaries, fringe benefits, leave, and non-salary direct expenses incurred in support of the Project, as well as material records, certifications, and as-built quantities.
- 7.5.3 The parties agree that the State has sole discretion to modify the initial Agreement amount to reflect the actual, eligible costs for the Project work at the time of the award concurrence.
- 7.5.4 Progress Reports will accompany all payment vouchers and shall include:
 - 7.5.4.1 A narrative description of work performed during the payment period and any difficulties or delays encountered;
 - 7.5.4.2 A comparison of actual accomplishments to the goals established for the payment period;
 - 7.5.4.3 A comparison, by tasks, of costs incurred with amounts budgeted, and;
 - 7.5.4.4 A comparison, by task, of work performed compared to the schedule, including a percentage of the total work completed. This requirement can be met by including a bar chart showing schedule timing and actual progress.
 - 7.5.4.5 Copies of contract compliance documents as completed for the voucher payment period by the Resident Engineer that is designated by the Subrecipient, a complete set of which shall be furnished by the State at kickoff and/or preconstruction meetings.
- 7.5.5 The State shall review and verify such payment vouchers for payment and remunerate the Subrecipient for direct and indirect costs incurred up to a maximum Project approved budget for satisfactorily completing the Project.

7.6 Partial Payments

**New Jersey Department of Transportation
Division of Local Aid and Economic Development
Federal Aid Cost Reimbursement Agreement**

- 7.6.1 The State shall make partial payments to the Subrecipient toward the actual, eligible costs for the Project Work upon the receipt of properly drawn payment voucher for a percentage of work completed on the Project during the period as shown on the accompanying progress report. Where there is a disagreement between the State and the Subrecipient concerning the percentage of work completed during any given period, that dispute shall be resolved in accordance with Paragraph 22.3 of this Agreement.
- 7.6.2 Subrecipient may submit payment vouchers totaling up to 90% of the lesser of either the authorized amount or the amount eligible for State funding participation. Subrecipient shall submit a final payment voucher, within six months of final inspection, along with any necessary close out documents, for reimbursement of the remaining 10%, following receipt of written final acceptance of the Project by the State.
- 7.6.3 If the Subrecipient was found to be in good standing and compliance with the terms this Agreement, the Subrecipient can request compensation of a portion of the funds that were held as per Section 7.6.2 after a satisfactory final inspection by NJDOT and prior to the submittal of the final Payment voucher. Good standing can be defined as maintaining eligibility assessment, invoicing at a minimum of a quarterly basis, and receiving satisfactory reviews with regard to compliance with construction oversight inspections. This payment request will be accepted and processed at the sole discretion of the NJDOT.

7.7 Consultants and Contractors

- 7.7.1 The Subrecipient shall remain responsible for satisfactory performance of all work.
- 7.7.2 All work performed by consultant, contractors and subcontractors on the Project shall be treated as being performed by the Subrecipient.
- 7.7.3 Subrecipient will be paid the actual, eligible costs for the work of each contractor and consultant. The actual, eligible costs shall be considered full compensation for all costs incurred by the Subrecipient relative to the work performed by each contractor and consultant. Payment of the actual, eligible costs shall be made on monthly or quarterly payment vouchers submitted by the Subrecipient based upon the percentage of the contracted work completed as shown in the Subrecipient's monthly progress reports.
- 7.7.4 Subrecipient shall require its contractors and consultants to comply with the applicable cost principles set forth in this Section and the requirements of Section 12 below by placing equivalent provisions in their contracts.
- 7.7.5 Subrecipient shall require all subcontracting be performed in accordance with the Standard Specifications and 23 C.F.R. § 635.116.

**New Jersey Department of Transportation
Division of Local Aid and Economic Development

**8. Conflict of Interest**

- 8.1 All FHWA Federal Aid Highway Program (FAHP) funds provided for locally administered projects must pass through NJDOT pursuant to 23 C.F.R §172.5. NJDOT, as the grant recipient, is responsible for ensuring the Subrecipient complies with Federal requirements. This includes ensuring sufficient controls are in place to protect the public's interest against fraud, waste, and abuse of taxpayer resources.
- 8.2 Federal requirements and FHWA policies do not expressly prohibit the use of the same consulting firm for design and construction inspection services on the same project. However, the use of the same firm for design and inspection may present potential conflicts of interest that provide opportunities that benefit the consulting engineering firm and not the Subrecipient. A consulting firm performing construction inspection services for the same federal-aid project that the firm also designed provides the firm an opportunity to influence or affect decisions on scope changes; design changes; construction revisions; contract change orders; and related issues. A firm may have a vested financial interest in failing to disclose deficiencies in its design work during construction, such as minimizing or ignoring design errors and omissions rather than serving the best interest of the public. Using a different firm for construction inspection provides an additional level of review and reduces the risk for potential conflicts of interest. Prior to allowing a consulting firm to provide services on subsequent phases of the same project, the Subrecipient must establish appropriate compensating controls in the form of policies, procedures, practices, and other safeguards to ensure a conflict of interest does not occur in the procurement, management, and administration of consultant services as specified in 23 CFR 172.7(b)(4).

9. Liquidated Damages

- 9.1 Liquidated damages must be specified for all federally funded projects. Liquidated Damages are defined as the daily amount set forth in the contract to be deducted from the contract price to cover damages to the State and the Subrecipient as a result of the contractor's failure to complete work within the specified Contract Time. The amount of liquidated damages set forth in all contracts pursuant to this Agreement shall take into account the Subrecipient's estimated costs incurred as well as road user costs. Liquidated damages must be assessed by the Subrecipient in accordance with the Standard Specifications. Failure to assess liquidated damages by the Subrecipient in accordance with the Standard Specifications, contract bid documents, and federal requirements may result in the loss of federal participation of funds.
- 9.2 Contract time extensions will only be granted for excusable delays specified in the Standard Specifications. Contract time extensions must be submitted and approved by Change Order as the project progresses and at the time an excusable delay occurs in accordance with the Standard Specifications.

10. Audit Requirements

**New Jersey Department of Transportation
Division of Local Aid and Economic Development
Federal Aid Cost Reimbursement Agreement**

- 10.1 The Subrecipient shall provide the State with a fiscal year, organization-wide audit that has been conducted in accordance with the requirements of OMB “Supercircular” 2 C.F.R. Part 200, Audits of States, Local Governments, and Non-Profit Organizations, and State Circular Letter 04-04-OMB, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid. If the Subrecipient is to contract with a commercial organization they must follow 48 C.F.R. § 31.2, “Contracts with Commercial Organizations.” The Subrecipient shall ensure that the State receives the audit within the prescribed submission period and that this Agreement is listed on the appropriate Schedule of Financial Assistance.
- 10.2 The State, or its agents, shall be entitled to perform an audit at the following times:
 - 10.2.1 At any time during the performance of work set forth in this Agreement.
 - 10.2.2 During a period of up to three (3) years after either the date of payment of the Final Invoice or a date mutually agreed to by the parties.
 - 10.2.3 The Subrecipient acknowledges that changes in payment due the Subrecipient resulting from audits performed by the State shall be made as follows:
 - 10.2.3.1 In the event of overpayment by the State, the Subrecipient shall refund the amount of such overpayment within thirty (30) days of the request by the State. In the event the Subrecipient fails to comply with said request, the State is hereby authorized to deduct such overpayment from other monies due the Subrecipient under the terms of this Agreement or any other agreement between the State and the Subrecipient. Furthermore, the Subrecipient expressly understands and agrees that the provisions of this Section shall in no way be construed to relieve the Subrecipient from any liability, or preclude the State from taking any other actions as are available to it under any other provisions of this Agreement or otherwise at law. The terms of this section shall survive the expiration or termination of the Agreement.
 - 10.2.3.2 In the event of underpayment by the State, the State shall pay sufficient funds to the Subrecipient to correct the underpayment as soon as is practicable.
- 10.3 The Subrecipient shall include in the Final Invoice the following release clause:

“In consideration of the requested payment of this Final Invoice, the [Subrecipient] hereby releases the State of New Jersey and the New Jersey Department of Transportation, their agents, officers and employees, from all claims and liabilities arising from work done or services performed under this Agreement.”
- 10.4 Payment to the Subrecipient for a Final Invoice does not waive either the right of the State to establish adjustments and to collect overpayments that are disclosed by audits performed subsequent to payment of the Final Invoice, or the right of the Subrecipient to underpayments based upon adjustments disclosed by said audits.

**New Jersey Department of Transportation
Division of Local Aid and Economic Development

11. Inspection

Subrecipient shall permit the State or any authorized representative, free access to the Project with the right to examine, visit and inspect, at any reasonable time, all work completed or in progress, labor performed and materials furnished in connection with the Project as well as Subrecipient's accounts, books and records, including its receipts, disbursements, contracts and any other matters relating thereto. Subrecipient shall supply such reports and information as the State shall reasonably request. All accounts, books, records and other documents related to the Project shall be retained by Subrecipient for a period of three (3) years after final payment is received from the State.

12. Indemnification

Subrecipient shall indemnify, defend, protect and hold harmless the State of New Jersey and its agents, servants and employees from and against any and all liability, fines, suits, claims, demands and actions, costs and reasonable expenses of any kind or nature or by anyone whomsoever, including, but not limited to, claims for personal injury, wrongful death, property damage and contractual liability due to or arising in any way out of the performance of any services, actions or operations in connection with the Project or any breach of this Agreement unless caused solely by the gross negligence or default of the State or its agents, servants or employees; provided, however, that the State shall give Subrecipient prompt notice thereof. If Subrecipient shall be required to defend in any action or proceeding pursuant to this Section to which action or proceeding the State is made a party, the State shall be entitled to participate in the matter, at its election and sole cost; provided, however, that any such action by the State does not limit or make void any liability of Subrecipient in respect to the claim or matter in question.

13. No Personal Liability

Notwithstanding anything to the contrary contained herein, the parties hereto specifically understand and agree that there shall be no personal liability imposed on the officers, employees or agents of Subrecipient or the State with respect to any of the covenants or conditions of this Agreement.

14. Equal Opportunity

14.1 The parties to this Agreement do hereby agree that the provisions of N.J.S.A. 10:2-1 through 10:2-4 and N.J.S.A. 10:5-31 et seq. (PL 1975, c 127, as amended and supplemented) dealing with discrimination in employment on public contracts, and the rules and regulations promulgated pursuant thereunto, are hereby made a part of this contract and are binding upon them.

14.2 During the performance of this contract, the Contractor agrees as follows:

**New Jersey Department of Transportation

- 14.2.1 The Contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status or sex. The Contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status or sex. Such action shall include but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Division of Civil Rights/Affirmative Action setting forth provisions of this nondiscrimination clause;
- 14.2.2 The Contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status or sex;
- 14.2.3 The Contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the Division of Civil Rights/Affirmative Action, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 14.2.4 In the hiring of persons for the performance of work under this contract or any subcontract hereunder, or for the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under this contract, no contractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex, discriminate against any person who is qualified and available to perform the work to which the employment relates;
- 14.2.5 No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex;
- 14.2.6 There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of \$50.00 for each person

- 14.2.7 This contract may be canceled or terminated by the contracting Public Agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract.
- 14.2.8 The notices referred to in Sections 14.2.1 and 14.2.3 may be obtained at the preconstruction conference.

15. Nondiscrimination

Subrecipient hereby agrees that it will comply with Title VI of the 1964 Civil Rights Act (the "Act") and related statutes and implementing regulations to the end that no person shall on the grounds of race, color, national origin, handicap, age, sex, or religion be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Project covered by this Agreement and, further Subrecipient agrees that:

- 15.1 It will insert the nondiscrimination notice required by the Standard Department of Transportation Title VI Assurance (DOT Order 1050.2) in all solicitations for bids for work or material, and, in adapted form, in all proposals for negotiated agreements.
- 15.2 It will insert the clauses in Appendixes A, B or C of DOT Order 1050.2 as appropriate, in all contracts, deeds transferring real property, structures, or improvements thereon or interest therein (as a covenant running with the land) and in future deeds, leases, permits, licenses, and similar agreements, related to this Project, entered into by the Subrecipient with other parties.
- 15.3 It will comply with, and cooperate with, FHWA in ensuring compliance with the terms of the standard Title VI Assurance, the act and related statutes, and implementing regulations.

16. Disadvantaged Business Enterprises

Subrecipient hereby agrees to the following statements and agrees that these statements shall be included in all subsequent agreements between Subrecipient and any contractor:

- 16.1 It is the policy of NJDOT that Disadvantaged Business Enterprises, as defined in 49 C.F.R., Part 26; Titles I & V of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA); the Transportation Equity Act for the 21st Century (TEA-21); and Section V, Part B below, shall have equal opportunity to participate in the performance of contracts financed in whole or in part with federal funds under this Agreement. Consequently, the DBE requirements of 49 C.F.R., § 26(A), (C), and (F) apply to this Agreement.

The NJDOT and its Contractors shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of USDOT assisted contracts.

17. No Oral Modifications

- 17.1 This Agreement may not be changed orally, but only by an agreement in writing and signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.
- 17.2 The Subrecipient shall request State approval for any task or line item budget revision deemed necessary to carry out the Project. During the performance of this Agreement, the SUBRECIPIENT, for itself, its assignees and successors in interest hereinafter referred to as the SUBRECIPIENT, agrees as follows:

1. Compliance with Regulations: The SUBRECIPIENT will comply with Regulations of the United States Department of Transportation relative to nondiscrimination in federally assisted programs of the Department of Transportation (Title 49, Code of Federal Regulations, Part 21 through Appendix H, and Title 23C.F.R. § 710.405(b), hereinafter referred to as the Regulations), which are incorporated herein by reference and made a part of this Agreement.

The SUBRECIPIENT will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.
3. Solicitations for Subcontracts, including Procurement of Procurement of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the SUBRECIPIENT for work to be performed under a subcontract, including procurement of materials or equipment, such potential subcontractor or supplier shall be notified by the SUBRECIPIENT of the SUBRECIPIENT'S obligations under this Agreement and the Regulations relative to nondiscrimination on the basis of race, color, age, sex or national origin.
4. Information and Reports: The SUBRECIPIENT will provide all information and reports required by the Requisitions, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the STATE or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Failure to make a good faith effort to meet the established DBE goal may result in sanctions as defined under paragraph 5 of this Appendix.
10. If at any time following the execution of this Agreement, the SUBRECIPIENT intends to sublet any additional portion(s) of the work or intends to purchase materials or lease equipment not contemplated during the original proposal preparation, the SUBRECIPIENT shall:
 - (a) Notify the Project initiator, in writing, of the type and approximate value of the work which the SUBRECIPIENT intends to accomplish by such subcontract, purchase order or lease.
 - (b) Give DBE firms equal consideration with non-minority firms in negotiations for any such subcontracts, purchase orders or leases.
11. Incorporation of Provisions: The SUBRECIPIENT will include the provisions of paragraph (1) through (9) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, orders or instructions, issued pursuant thereto.

APPENDIX F

AMERICANS WITH DISABILITIES ACT

Equal Opportunity For Individuals With Disabilities.

The SUBRECIPIENT and the STATE do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. Sec. 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the STATE pursuant to this contract, the SUBRECIPIENT agrees that the performance shall be in strict compliance with the Act. In the event that the SUBRECIPIENT, its agents, servants, employees, or sub consultants violate or are alleged to have violated the Act during the performance of this contract, the SUBRECIPIENT shall defend the STATE in any action or administrative proceeding commenced pursuant to this Act. The SUBRECIPIENT shall indemnify, protect, and save harmless the STATE, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The SUBRECIPIENT shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith.

In any and all complaints brought pursuant to the STATE'S grievance procedure, the SUBRECIPIENT agrees to abide by any decision of the STATE which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the STATE or if the STATE incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the SUBRECIPIENT shall satisfy and discharge the same at its own expense.

The STATE shall, as soon as practicable after a claim has been made against it, give written notice thereof to the SUBRECIPIENT along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the STATE or any of its agents, servants, and employees, the STATE shall expeditiously forward or have forwarded to the SUBRECIPIENT every demand, complaint, notice, summons, pleading, or other process received by the STATE or its representatives.

It is expressly agreed and understood that any approval by the STATE of the services provided by the SUBRECIPIENT pursuant to this contract will not relieve the SUBRECIPIENT of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the STATE pursuant to this paragraph.

It is further agreed and understood that the STATE assumes no obligation to indemnify or save harmless the SUBRECIPIENT, its agents, servants, employees and sub consultants for any claim which may arise out of their performance of this Agreement. Furthermore, the SUBRECIPIENT expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the SUBRECIPIENT'S obligations assumed in this Agreement, nor shall they be construed to relieve the SUBRECIPIENT from any liability, nor preclude the STATE from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.
