City of Vineland

Dear Chief Tramontana:

Thank you for your interest in purchasing Pierce fire apparatus through the Houston-Galveston Area Council (HGAC) cooperative purchasing program. This is being issued in the name of Fire & Safety Services as prime contractor for all orders. See end of this letter for terms and conditions that are included in the proposal binder but provided here as well.

This letter serves as the quote under the HGAC Contract FS12-19. For this unit we used the base model VA01-Enforcer 75FT SA HDL.

Pursuant to the regulations established under the HGAC program, we modified that base model to meet your departmental requirements. Pierce is offering an HGAC quoted price of **\$920,330.02** for the unit.

This apparatus would have a delivery time of 14 months from receipt of the purchase order.

*NOTE- If the City can issue a purchase order for this apparatus by 1/29/2021, Pierce Mfg. will offer a discount in the amount of (\$34,734.89), with a new quoted price of **\$885,595.13**.

With the HGAC process, since the terms of the agreement have already been negotiated between the vendors and HGAC, there is no need for a separate contract; just a PO made out to Fire & Safety Services Ltd., issued by you, the customer. Fire & Safety would then send a copy of the official HGAC pricing worksheet along with a copy of the Purchase Order to the HGAC where they would issue an order confirmation. We would also coordinate all paperwork with the manufacturer to start the order with them. We would also provide you a copy of the official HGAC pricing worksheet for your records.

If you have any further questions please do not hesitate to contact us directly or your area sales representative, Fred Hundt.

Very truly yours,
David L. Russell
