COV BID # 2021-25 (RE-BID)

Proposals were received and opened Friday, September 17, 2021 at 2:00 PM for Carbon Monoxide Catalyst for Down Unit 11- Trent 60 Turbine from the following:

TEI Construction Services Inc:	\$70,011.00
Groome Industrial Services Group LLC:	\$79,880.00

Comments: Both submitted all the mandatory documents

Recommendation: Award should be made to TEI as they provided the lowest responsive responsible bid unless the using department disagrees and can justify why not to award to TEI. TEI's bid was over the Gov't Estimate so if the using department can find the additional monies award should be made. If not, recommendation should be to reject all bids.
