PURCHASING AGENT REVIEW
COV BID # 2021-44

Proposals were received and opened Tuesday, November 23, 2021 at 2:00 PM for Combustion Turbine Filters from the following:

Precision Filtration Products: \$56,780.95 (*)

Comments: The lone bidder submitted all the mandatory documents.

(*) NOTE: Precision didn't provide pricing for a few items on some of the Groups.

Recommendation: Precision Filtration submitted the lone bid with some items not being bid and a minimum initial order quantity on another item. If the using department is ok with Precision's bid as provided then award should be made. If this is an issue for the department rejecting is also ok. I defer to the using department on whether they want to award or reject.
