RE: Resurfacing of N. East Avenue
Wheat Road to Garden Road
City Eng. Project No. 21-014

Due to delays in the start of the North East Avenue watermain extension project, we are unable to bid and award a project for the resurfacing project in a timeframe that is required by NJDOT Local Aid, our funding source. The deadline to award a project is November 16, 2022.

I respectfully request that a resolution be placed on City Council agenda for the meeting of September 27 which formally requests a one-year time extension from NJDOT to award this project.

My expectation is to advertise the project in the spring of 2023 for summer construction.
